

## TEAM INTERVIEW QUESTIONS

**Not sure what to ask? Use this list to get some ideas:**

This is a simple curated list of questions that we've put together after questioning dozens of team members on behalf of their CEOs. We have also provided space for you to list a few of your own. You do not have to ask all the questions, but here's our list of questions and prompts. The answers will provide you with some insights on sticky, and strong spots in your business, operations, and systems.

### Questions:

- What is your role at [company]?
- What is going well?
- What is [CEO] doing really well?
- What's not going well?
- What could be better?
- What could support you in your job/position?
- What's your zone of genius? \* the thing you can do that amazes people!\*
